# Two Examples That Showed Key Learnings

1. The dynamics and skills needed to effectively navigate in “the matrix” exist at all levels
2. Demonstrate the importance of pulling from and leveraging those lessons learned early

# Additional Skills and Attributes

Building  
trust

Do Matter

A dark, long-exposure photograph of a city street at night. The image shows light trails from traffic on a multi-lane road. In the background, there are several tall buildings, one of which has a prominent grid-like facade. The overall scene is dimly lit, with some lights from buildings and streetlights visible. The text "Don't Be Afraid of 'The Matrix'" is overlaid in the center in a bold, white font.

**Don't Be Afraid of "The Matrix"**
